

Each year since 1992, The South Bohemian Mother Association organize a Chernobyl memorial day every year. This year it is going to be a benefit concert of one of the world fame guitar virtuoso Štěpán Rak.

*Where and when: in the town České Budějovice on April, 26th.
c.k. Solnice*

Profit from this concert will be donated to the association Czech-Russian society who organize curative stays for children from areas stricken with Chernobyl's nuclear accident.

Futher information: jihoceske.matky@ecn.cz

The South Bohemian Mother Association was founded in 1992 in České Budějovice (The Czech Republic) It is a non profit organisation whose mission is to protect nature and the countryside.

Its main task is to put an end to risk technologies, especially nuclear power plants. We support the enforcement of alternative methods of acquiring energy that are less of a burden on the environment and, above all, to limit the excessive consumption of energy by looking at ways of saving it.
